

WE'VE BEEN

BOO-ED!

YOU'VE BEEN
BOO-ED

You have two choices:

1. Keep this going by making a copy of this sheet and boo-ing a neighbor.
2. Enjoy your treats and don't feel any pressure to boo a neighbor. Halloween should be fun, not stressful!

Either way, put the "I've Been Boo-ed" sign up so neighbors know that you've already been "boo-ed".

Happy Halloween!
